### DETAILED ACTION

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on May 29, 2007 has been entered.

2. As per applicant's request for rejoining non-elected claims 34-40 has been rejoined since the process as claimed contains all product limitations.

3. The following is an examiner's statement of reasons for allowance: Claims 11-28 and 31-43 are deemed allowable because the art of record does not teach or suggest prevention of edge coloring of the claimed laminate. In the instant specification, the Examples 1 and 6 show unexpected results when compared to the comparative Examples 1, 2 and 3.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
